

Section 51 Multiple Uses

- 51.1 When any land or building is used for more than one purpose, all provisions of this Bylaw relating to each use shall be satisfied. If there are conflicts between standards for individual uses, the more stringent standards shall prevail, unless approved otherwise.
- 51.2 A development comprising both a Restaurant and/or a Drinking Establishment in the same structure shall provide some form of physical separation between the two (2) uses to the satisfaction of the Development Authority.
