Direction of Traffic Disrupted:  NB     SB     WB     EB     Detour

**Permit Request Requirements:**

- If a drawing has not been provided with another permit, please attach drawing:** Include roadway location and names with approximate street address and location of the work. If possible, show approximate dimensions to curb or other identifiable features.
- A **Traffic Accommodation Strategy (TAS)** is required when work obstructs, or in any way encroaches upon, a sidewalk or roadway. Please ensure the TAS shows the work zone, locations of signs, types of signs and roadway names. The work zone is the area required to do the work. Locations of signs must be in detail showing spacing and specific locations. Types of signs can be described using full name or sign code.

**Traffic Accommodation Strategies must comply with the Province of Alberta "Traffic Accommodation in Work Zones 2018" manual. The Manual and resource drawings for construction signage are located at: <http://www.transportation.alberta.ca/597.htm>**

- Driveway Crossing** must be pre-approved before construction can begin. Residential driveway request Applicants must first complete a Residential Driveway Request Application available at: <http://www.cityofgp.com/index.aspx?page=2612> . The completed application can be emailed to [devpermits@cityofgp.com](mailto:devpermits@cityofgp.com). All commercial, industrial and multi-family driveway request Applicants must complete a Commercial/Industrial/Multifamily Driveway Request application available at: <http://www.cityofgp.com/index.aspx?page=348> . The completed application can be emailed to [eng\\_permits@cityofgp.com](mailto:eng_permits@cityofgp.com). For more information, please contact Engineering Services.
- Storm Connections** must be pre-approved before construction can begin.

**No work is to begin without the appropriate Engineering Services approved permit requests. Previous versions of this form will no longer be accepted.**

**ENGINEERING SERVICES**  
**Permit Request – 2019**

Prior to work commencing, the Applicant will check with all utility companies to ensure that the Applicants' work will not interfere with, or damage any, utility lines or other structures. **The Applicant is aware of relevant provisions of the City's bylaws and requirements that associate with the requested permit(s). The Applicant is also aware of the applicable Construction and Design Standards and Specifications for their work available on the City's website here: <http://www.cityofgp.com/index.aspx?page=341>.** The City may inspect the Applicant's work at any time and designate corrections. If the Applicant fails to comply with any of the City's requirements or Construction and Design Standards, the City may do necessary corrective work and charge the cost to the Applicant. The Applicant indemnifies the City against any claims, actions, damages, losses and expenses of any kind that may be made or brought against the City or that the City may suffer or incur in the course, or as a result, of the Applicant, its sub-contractors or agents carrying out the Applicant's work.

**A two year warranty will apply to the restoration work. A letter of credit or cheque for the value of the work may be required in advance and will be reduced to 50% upon satisfactory completion of the work. The remaining 50% will be held until the end of the warranty period. An inspection request form must be submitted to Engineering Services upon completion of the work.**

Certificate of Insurance confirming a minimum of \$2 million liability insurance coverage must accompany application if no current copy on file. This Permit Request will not be processed without the Applicant's Signature.

By approving this permit request, the City grants permission to work at the requested location(s). Additional approvals may be required by third parties, eg. OH&S and/or AEP. These approvals are the applicant's responsibility and no onus shall be placed upon the City by the applicant by failing to have the proper third party permission or permits to complete this work.

I, the Applicant, acknowledge that I represent the owner of the above mentioned property, do hereby agree to adhere to the conditions for approval as stipulated above and agree to pay the actual construction cost, engineering and 5% GST expenses for the construction on the City of Grande Prairie property described above.

Applicant Signature: \_\_\_\_\_

**Note:** - No fee for Barricade permits only.

- Please refer to Fee schedule on **Bylaw C-1325 Fees Clause #10**.

- Refer to **Security Requirements For Work Within the Right-of-Way** on City of Grande Prairie Website.
