

Description

A Food Truck (or Mobile Cooking Operation) is a restaurant on wheels. This could be a van, truck or trailer converted to contain a mobile commercial-grade kitchen. In order for a food truck to legally operate inside the City, all units are required to have an inspection from the Fire Department, Alberta Health Services and Inspection Services. Upon successful inspections, the unit will be awarded a sticker from each authority for the current year. If one (or more) of the inspections are not successful, the Operator will be provided with items that need to be corrected prior to receiving their sticker.
